

Freely You Have Received, Freely Give

Grace - refers to God freely extending Himself (His favor, grace), reaching (inclining) to people because He is disposed to bless (be near) them.

Freely - without cost, a gift

Received - to get, to lay hold of

Give - Offer, bestow, grant

Do you know people who struggle to freely give? Are you a liberal giver or a do you give grudgingly? Do you tend to charge others for what you got for free? This is conditional grace..you forgive, give, show kindness, and favor ONLY to those who you feel have earned it/deserve it.

As you read and meditate on Matthew 10:1-8, think about how this applies to your life. What areas do you struggle to freely give in? Who have you given/withheld grace from this week and why?
